

Name _____

Period _____

Clues from the Past (Pgs 6-9)

Study Guide 1-1

1. What is history?
2. What types of things do historians want to know about the past?
3. How is a primary source different than a secondary source?
4. What are historian's *main* tools?
5. How do fossils differ from artifacts?
6. Would a tool made from an animal bone be an artifact or a fossil?
7. What is archaeology?
8. What kinds of things will future archaeologists study to learn about how we live?
9. Are legends always reliable guides to historical or archaeological discoveries? Why or Why not?
