

Name _____

Period _____

The Early Middle Ages Shield Project

Section A: Feudalism

What is Feudalism? What led to the creation of Feudalism? Who created it? How did it spread?

Section B: Feudal Society

Label each member of Feudal Society and describe the role each group played under the feudal system.

Section C: The Spread of Christianity

Describe how Christianity spread further north after the fall of the Roman Empire. Be sure to include the role of missionaries, monks, and monasteries.

Section D: Charlemagne

Who was Charlemagne? How did he build such a large empire? What role did he play in the spread of Christianity? What were some of his other accomplishments?

Section E: Life on a Manor

Describe a manor. Who lived there? What was life like there? What responsibilities did manor lords have in running the manor? What role did it play in feudal society?
